Washington, DC 20530-0001

Attorney Hesse,

I do not like the proposed settlement against Microsoft. I think the government should prosecute Microsoft to the fullest extent. In the past Microsoft has used every avenue possible to protect its known monopoly. Please review the language used in Section III(J)(2) and protect the not-for-profits. Without the "Open Source" movement we have no choice.

Kind Regards,

Mark Woehrer
